## DEADLOCK SIGHTED AT SAN FRANCISCO WHEN CANDIDATE QUESTION IS UP

Wilson Forces May be Short the  
Two Thirds Vote Needed  
to Nominate.

### BRYAN AND REED TO COMBAT THE PRESIDENT

"Virginia Platform" Not Pleas-  
ing to Commoner and the  
Missouri Senator.

(International News Service.)  
SAN FRANCISCO, June 21.—A dead-  
lock over the choice of a presidential  
candidate threatens the democratic  
convention in the opinion of several  
potential democratic leaders assem-  
bled here today.

Controlled by men dominated by  
President Wilson, the resolutions com-  
mittee is expected to report a ma-  
jority platform to the convention  
which will embody the salient planks  
of the so-called "Virginia platform,"  
dictated at the White House.

Packed with federal office holders  
who owe fealty to the Wilson ad-  
ministration, the convention will sus-  
tain the Wilsonized platform by up-  
holding the majority rule.

Democratic National Committee-  
man Homer S. Cummings and others  
already here who are supporters of  
the president are planning to invoke  
the majority rule, whenever they find  
it necessary to combat the opposition  
of a minority. The steam roller of  
the democratic national committee  
will not be run over the convention  
without a stiff, hot fight being waged  
against it by men like Wm. Jennings  
Bryan and Senator Reed of Missouri,  
who cannot see the virtues of the  
Virginia platform, but the real fight  
will come when time for the selection  
of a presidential candidate by the  
two-thirds rule arrives.

Anti-administration leaders predict  
that the president's supporters will not  
command a two-thirds vote. They do  
not expect to command a two-third  
vote themselves.

### FIREWORKS FRIDAY

(International News Service.)  
SAN FRANCISCO, June 21.—The  
first actual indication of the trend of  
the approaching democratic national  
convention will be given on Friday  
when the national committee meets  
to act on contests, according to party  
leaders here today. Two anti-admin-  
istration groups will appear before  
the committee seeking a decision  
which will keep them in the conven-  
tion. The contests center around sen-  
ator Reed of Missouri and Senator  
Hoke Smith of Georgia. While it is  
understood that the national commit-  
tee is staunchly behind the adminis-  
tration, there is no doubt but that  
the above two will marshal a strong  
force.

### COLBY SEES WILSON

(International News Service.)  
WASHINGTON, June 21.—Secre-  
tary of state Colby conferred with  
President Wilson for nearly an hour  
today on the eve of his departure for  
San Francisco. It is understood that  
the administration program and pos-  
sible turns of the convention were  
discussed.

## KIWANIANS AFTER BIRMINGHAM SCALPS

KLOPTON KREW WILL CHAL-  
LENGE THE BRAVES OF  
MAGIC CITY.

Klopton's Klubbing Krew of Ki-  
wanians, somewhat khesty from their  
victory over Huntsville, are planning  
to issue a Kchallenge to the Birmin-  
gham Indians for a baseball game to  
be played on the local lot. It is ex-  
pected that the defi will be accepted,  
in which event one of the greatest  
slug-fests in the history of the diam-  
ond is promised. Every person at-  
tending the game will be guaranteed  
an individual score, making the num-  
ber of tallies identical with the num-  
ber of paid admissions. The star lo-  
cal battery—Rankin and Robinson—  
will be kept under guard until after  
this event, for fear that they might  
be kidnapped or injured.

## CHICAGO "BLACK BELT" UNDER GUARD FOLLOWING RIOTS

Trouble Started When Flag Was Insulted by  
"Back to Africa" Agitators.

(International News Service.)  
CHICAGO, June 21.—Race rioting  
broke out in Chicago's southside dis-  
trict again today and 3 negro preach-  
ers, who were attacked by a mob of  
whites, were badly injured and taken  
to hospitals. One white policeman  
was hit in the head with a brick. In  
the meantime, Grover C. Redding, ne-  
gro "Prince of Abyssinia," has been  
arrested.

(International News Service.)  
CHICAGO, June 21.—Chicago's  
"black belt" district was under guard  
today of police and detectives, fol-  
lowing a riot in the heart of the  
negro section Sunday night in which  
two white men, one a sailor in the  
U. S. navy and one a cigar store clerk,  
were killed while attempting to pre-  
vent the burning of an American flag.  
A negro policeman was shot through  
the lungs and William Carter, a negro  
butler, was shot through the legs.  
The riot occurred at the conclusion of  
a parade led by agitators fostering a  
"back to Abyssinia" movement.

The "Star Order of Ethiopia" and  
"The Ethiopian Mission to Abyssinia"  
is a radical movement said to have  
been organized for the purpose of in-  
ducing American negroes to immi-  
grate to Africa.

## RAILROAD YARD WORKERS STRIKE

(International News Service.)  
BALTIMORE, June 21.—Baltimore  
today is in the grip of a new unau-  
thorized strike of railroad yard work-  
ers, which had its beginning in Phil-  
adelphia last night. Freight move-  
ments were practically at a stand-  
still. A drastic embargo on freight  
shipments of every description has  
been declared by the Baltimore &  
Ohio line, while a slightly less dras-  
tic embargo was declared on the Penn-  
sylvania line.

SPREADS TO WILMINGTON

strike of railroad yardmen spread to  
Wilmington today.

trainmen in Baltimore and Philadel-  
phia have been ordered back to work  
and will obey the order immediately,  
it was announced by W. N. Doak, vice  
president of the railway trainmen.

### TO HOLD MEETINGS

(International News Service.)  
CHICAGO, June 21.—With rail  
workers in several eastern cities quit-  
ting work as a protest against the  
delay of the federal railroad labor  
board in making wage awards, lead-  
ers of the outlaw unions which backed  
the recent nation-wide strike of yard-  
men and switchmen are preparing to  
hold mass meetings throughout the  
country, it was announced here today.

## Thoroughfare Tax Is Being Collected

Street Taxes are being served ear-  
ly this year in all four wards of  
the city of Albany and each ward has  
its representative with the little book  
to mark the tax paid before the final  
gong on July 1. The tax will amount  
to about \$2.50 per capita and will be  
put in for the upkeep of the streets  
now needing repair. About \$2000.  
will be realized off the collections  
and the repair work will be started as  
soon as the rounding up is over.

Charles Austin Jr. is serving the  
taxes in Central Albany, while C. M.  
Livingston has the work well in hand  
in the southern district. G. W. Warwick  
will handle the collection in West Al-  
bany and J. A. Tidwell has taken the  
East Albany ward. All taxes must be  
paid in before the first Monday in  
July.

ised by the weekly forecast of the  
U. S. weather bureau. The prediction  
follows: For the South Atlantic and  
East Gulf states: Occasional showers  
and thunderstorms, with normal tem-  
peratures, are indicated for the week.

## G. O. P. CAMPAIGN FOR WAR SINEWS IS BEING PLANNED

(International News Service.)  
WASHINGTON, June 21.—Senator  
Harding, presidential nominee, today  
began the organization of permanent  
committees that will have charge of  
his campaign for election. Early  
this morning he went into conference  
with National Committee Chairman  
Will H. Hays and other republican  
leaders. Fred W. Upham, treasurer  
of the national committee, was also  
present.

The presence of Mr. Upham indi-  
cated that a finance committee would be  
selected. It is understood that small  
campaign contributions will be en-  
couraged and solicited. It is probable  
that the conference will decide to  
maintain headquarters at New York,  
Washington, Chicago and San Fran-  
cisco. An intensive campaign is to  
be waged by the republicans for the  
New England and mid-west states.  
Details were arranged at the confer-  
ence for Senator Harding's notifica-  
tion, which will take place at Marion,  
Ohio, about July 15.

Former U. S. Senator Beveridge,  
following a conference with Senator  
Harding, said that the policy of the  
republican candidate would be to  
seek to bring about a rejuvenated  
party.

Boyles.

WASHINGTON, June 21.—Direct  
communication was held today be-  
tween the white house and San Fran-  
cisco for the first time since demo-  
cratic leaders began assembling for

man Homer S. Cummings, and was in  
the nature of a report to the presi-  
dent.

### BIRMINGHAM ORATOR HEARD AT THE SHOPS

Associate Editor of the Birming-

American Legion, and Morgan Coun-  
ty Kiwanis Klub, today were sum-

Brown and Big Chief Klopston to meet  
at the Decatur City hall tonight at  
7:30 o'clock for the purpose of per-  
fecting plans to take part in the drive  
to bridge the Tennessee river. Both  
leaders stressed the importance of  
the meeting, and urged that the Legion-  
naires and the Braves turn out in  
full force.

Following the meeting tonight, it is  
expected that the stock sale will be  
pushed, and possibly the full quota  
sold before the end of this week.

### Barnett to Speak

Frank Willis Barnett, associate ed-  
itor of the Birmingham Age Herald,  
and who is a pleasant, entertaining  
and instructive talker, will address  
the employees of the Louisville and  
Nashville R. R. shops at the shop  
gate, during the noon hour tomor-  
row, Tuesday.

His subject will be "The Limestone  
Morgan Bridge," and the many ad-  
vantages to be derived by the people  
of Albany and Decatur, and of the  
Tennessee Valley from the construc-  
tion of the bridge.

The business and professional men  
of both cities are requested to be  
present and hear the very important  
question discussed.

## NEW WAR LOOMS IN THE NEAR EAST

GREEKS ARE EAGER TO FIGHT  
TURKS. ENGLAND MAY BE  
INVOLVED ALSO.

(International News Service.)  
LONDON, June 21.—A new war in  
the near east which may hold up  
Turkish peace indefinitely was threat-  
ened today on the eve of the inter-  
allied conference at Boulogne. The  
question of allowing Greece to go to  
war against the Turkish nationalists,  
assisted by Anglo-French forces, was  
to be discussed at length by Pre-  
mier Lloyd George, Millerand and  
Venizelos and Marshal Foch. Al-  
ready there are about 100,000 Greek  
troops under arms on Turkish soil.  
The Daily Express expresses fear  
that Great Britain has been involved  
in a new war, since the British are  
bound to help the Greeks.

## Albany Jail Is Crowded; Twelve Are Rounded Up

The Albany city bastille is filled to  
overflowing. From every nook and  
corner they appear. Sunday night  
Sheriff May and Deputy McGuthrie  
went on a jaunt to the banks of the  
Tennessee. Heading toward Camp-  
bellville, they discovered that some-  
thing mighty interesting was going  
on in a deserted negro home. The  
officials decided to have a look-in,  
and they saw eight negroes pushing  
the ivory across the floor. Two of  
the blacks were women, the other six  
being of the stronger variety. All  
eight were marched to the Albany city  
hall and hence to the jail where they  
await the appearance of Mayor Dil-  
lehay tonight at 7 p. m.

Three other arrests have been made  
since Saturday night. Two drunks,  
blacks, and one a woman were taken  
into the arms of the law by the Al-  
bany city officers. Both got it to  
the tune of \$21.00.

The last arrest was made when a  
speeder was located on Second ave-  
nue, joy riding toward the south.  
His fine was \$6.00, this being his first  
offense.

## INDEMNITY UP AT ALLIED MEET

FRANCE TO HOLD OUT ON EN-  
GLAND BECAUSE OF AMERI-  
CAN ATTITUDE

(International News Service.)  
BOULOGNE, June 21.—The inter-  
allied conference today definitely  
abandoned the scheme whereby  
France proposed to pay her war debt  
to England in proportion as Germany  
paid indemnity to France. This de-  
cision, it was stated, was brought  
about by America's refusal to permit  
England to delay payment of Great  
Britain's war debt to the United  
States.

The opening of the conference was  
followed by reports that indemnity  
and the disturbed conditions of the  
near east would prevent much time  
being given to the matter of resump-  
tion of trade with Russia.

The financial experts presented the  
text of their agreement on reparations  
this afternoon. The allied state-  
men will discuss Turkey and Rus-  
sia tomorrow. Premier Lloyd George  
has given assurances to the Italian  
foreign minister that England and  
France will act with Greece against  
the Turks. Premier Venizelos, of  
Greece, predicted that there would be  
a fundamental revision of the Turkish  
treaty.

### U. S. HANDS OFF

(International News Service.)  
WASHINGTON, June 21.—The U.  
S. will not participate in any way as  
the inter-allied conference at Bou-  
logne, it was announced today at the  
state department.

WER, WITH ONE ACCESSION

Christ in the tent stretched on a  
Grant Street lot, between Second and  
Fourth Avenues, continues to grow.

heard eloquent sermons by the pre-  
acher, G. C. Brewer, with one addition  
to the church. The services will con-  
tinue through Friday of this week.

I know I Am Saved, or the Evidence

and Aubrey Pickens, of Albany, and  
son of Rev. Rome Pickens, of Town  
Creek, was taken suddenly ill with  
appendicitis yesterday shortly before  
noon and was operated on at Bene-  
volent Hospital Sunday afternoon. He  
is reported as resting comfortably to-  
day and on the road to recovery. The  
operation was performed by Dr.  
Frank L. Chenault, the anaesthetic  
being administered by Dr. M. W.  
Murray.

## Fresh Outbreak Costs One Life

(International News Service.)  
LONDON, June 21.—One person  
was mortally wounded and two others  
injured in a fresh outbreak in Lon-  
donberry early today. Firing was  
continuous in the streets during the

### GIRL GOLFER BLINDED

BY OPPONENT'S STICK

(International News Service.)  
PEEKSKILL, N. Y., June 21.—  
Marion Buchanan, daughter of a well-  
known Peekskill family, has been  
blinded in the left eye by a blow  
from a golf stick.

She was playing with Miss Eliza-  
beth Phipp at the Peekskill Country  
Club's links. As Miss Phipp drove  
Miss Buchanan leaned over in front  
of the stick. Her eyeglasses were  
smashed in pieces and she fell un-  
conscious.

(By Mrs. George R. Bass, Chairman  
Woman's Bureau)

SAN FRANCISCO, June 21.—The  
women of the United States are look-  
ing with high hopes toward San  
Francisco. Those hopes will not be  
betrayed as they were at Chicago.  
The women believe that the primary  
was intended to guide the decision  
of a national convention. They took  
part in the primaries believing that  
the will of the people thus expressed  
would be final, but at Chicago they  
learned that the Boise Pegrose candi-  
date, selected in a conference room  
more than six months ago, was the  
one finally chosen at the convention.  
Their moral sense was profoundly  
shocked and their intelligence out-  
raged. They look forward eagerly to  
the national convention here to pre-  
sent a platform and a leadership which  
they can accept with enthusiasm and  
rely upon to achieve the permanent  
peace of the world.

## LOCAL MAN CURED OF CHILLS; POTTER WALKS 10 BLOCKS HE WRITES DAILY

Has Not Yet Been on "Stand"  
But Is Already Much  
Benefitted.

### VISIONS OF HEALER SEEN ON THE CLOUDS

Brother Isaiah Away For Rest,  
But Returned to His Post  
on Sunday.

T. B. Potter, who is now at New  
Orleans, where he went for treat-  
ment by "Brother Isaiah," the noted  
faith healer, in a letter to the Daily  
today stated that he had been cured  
of the chills and that he was other-  
wise much improved, although he has  
not as yet been "on the stand."

The letter follows:  
Albany-Decatur Daily:

I want to say through your great  
paper that I am still on the banks of  
the old Mississippi river for treat-  
ment.

I had a chill one night and was  
very ill. I spoke to Brother Isaiah,  
telling him that I was feeling very  
bad; that I did not think my body was  
clean, enough to come on the stand,  
but for him to speak the word and  
the work would be done that would  
give me rest that night. He said to  
me, "as thy faith is, so will it be."  
I never had such a purge in all of  
my life as I had that night, but that  
was my last chill. I am getting bet-  
ter every day. I can walk now ten  
or twelve blocks, and I believe when  
he treats me that I will be a clean,  
well man once more in life.

Brother Isaiah is not with us now.  
He went up the river Wednesday  
morning to look over his mail and for  
a little rest, but will be back Sunday  
to go ahead with his great work for  
suffering humanity. He is indeed a  
miracle man. I have seen him heal  
people who were brought to him out  
of this city in cars who were almost  
dead and in 20 minutes he would have  
them walking over the ground. The  
man who looks after his mail said  
that he said to those who were healed  
that were with him on the boat to  
look at the sun rise; and they would  
see a cloud rise, with the bottom  
black and the top white; And they  
looked and saw the cloud, with Brother  
Isaiah's photo standing in it, with  
his long, white flowing beard and his  
arms folded across his breast. A  
wonderful man and a wonderful vision,  
indeed!

I wish everybody could hear him  
preach. He claims the power is in  
God's word to give the blind sight,  
the deaf man his hearing, and the  
dumb man his talking. He is one  
preacher who practices what he  
preaches. He says that we are now  
in the preparation days.  
With best regards to all and wish-  
ing to see you real soon, a well man.  
T. B. POTTER.

## Water Company Indicted; Aqua Impure, Charged

COLUMBIA, Tenn., June 21.—True  
bills have been returned against the  
Columbia Water & Light Company  
by the grand jury as the result of the  
charges that the water furnished the  
people here recently was contami-  
nated with disease germs. These  
bills were returned into open court on  
Friday afternoon and charge the  
water and light company with negli-  
gence in failing and refusing to take  
such precautions as should have been  
taken to safeguard and make pure  
the water supplied to the people of  
Columbia.

It is understood that the grand  
jury returned altogether some eight  
indictments against the company,  
each alleging a separate offense.  
They were found as the result of  
summoning of Mayor Cherry and  
other city officials before the grand  
jury a few days ago.

**GOMPER'S ELECTION IS TRIUMPH FOR CONSERVATISM**

The hosts of labor, as represented at the fourth annual convention of the American Federation of Labor, are not dominated by the radical element, which of late has come so much into prominence. This was proven conclusively by the re-election of Samuel Gompers as president of the federation, despite open opposition that had been voiced as to his administration of affairs, which had failed to meet the approval of the advocates of Bolshevism, of illegal strikes and one big union.

Gompers is the safest and sanest leader that labor has ever had. If he has swerved from the course that he has steered for the past forty years he has merely done so in an intelligent effort to foil those extremists who saw red and who were ripe for anything, including revolution. His vision is remarkably clear while his temperament is constructive. This may be due in part to his British ancestry and to an inherited admiration for orderly procedure. He is as much a statesman as President Wilson or David Lloyd George, and his viewpoint "goes along with" that of the American executive in a most harmonious way.

As the "grand old man" of labor, this venerable leader has sought to stick to a middle of the road policy. He has avoided the pitfalls of labor parties, of federal ownership, of soviet rule. He has remained an American under trying circumstances, and when his own leadership was jeopardized. Throughout a long career he has remained true to his ideals, and his unbending fidelity and absolute honesty are recognized the world over. A man of simple desires, he

has been superior to temptation. Had Gompers been overthrown, there is but little doubt that labor would have been driven upon the rocks of radicalism, which would have meant its destruction.

**A PLAIN LESSON**

(From the stars and Stripes)  
The ex-service men received a lot of kind words in the Republican national platform, but nothing of any definite value, not even a promise. The reason was simple enough—there were only a handful of ex-service men as delegates, some of those were former officers of personal wealth, and there was absolutely no evidence before the delegates to indicate that the men of the late war are as yet an active factor in politics.

A national convention is a gathering of essentially practical men. It will listen to anybody who speaks with the voice of a lot of votes. Hiram Johnson, backed by votes, talked turkey to the convention leaders about the League of Nations, and got his plank accepted. Judge Gary and other big employers talked turkey to the leaders, and got private ownership of railroads, no strikes in Government service, protective tariff and many other planks. Even the Irish crowd, mostly Democrats though they were, came within an inch of getting Ireland recognized in the platform. These and other groups got action at Chicago, because they represented votes and lots of votes.

To date the ex-soldiers don't represent a definite voting force. They haven't made a real dent on politics. Yet. But the few of them who were at Chicago learned a lesson. That lesson is that if you want to talk business with the big politicians, you've got to have the goods right with you. And votes are the political goods.

The moral is: Get into politics, and get in with both feet. Vote and talk your convictions, and make your strength plainly felt.

Opposition candidates for the democratic presidential nomination are wondering just how far Wm. G. McAdoo has "withdrawn."

Hiram Johnson's enthusiasm for the Harding and Coolidge ticket is so rampant that it is oozing all over the front pages of republican newspapers.

The U. S. health survey spent good time and money in finding out why the girls are leaving the farm. A few simple interrogatories of farmer's wives would have solved the problem just as quickly and much more economically.

Japan has at last made plain her intentions in regard to the Shantung Peninsula. The republican majority in the senate which defeated the ratification of the peace treaty and halted the league of nations program encouraged all European and Asiatic powers to scramble for everything in sight.

Missouri delegates who sold out to Lowden as well as others who were found on the Wood bargain counter might be investigated for profiteering. They came high, at any rate.

Secretary of Agriculture Meredith seems to have a head-lock on the democratic vice presidential nomination.

**GIANT POPLAR YIELDS 7,000 FEET OF LUMBER**

WHITESBURG, Ky., June 19.—The slaying of a yellow poplar tree of giant size removed a famous landmark in the hills of the Cumberland Mountains. A yarge lumber concern here not long ago cut this forest monarch and about \$11,000 was realized from the manufactured product.

The tree was sawed into nearly several hundred feet, second-class stuff thrown in. Not for half a century had such a tree been marketed from Eastern Kentucky.

**Rosy Cheeks & Satin Skin**

Because of her rosy cheeks and satin skin a woman attracts the admiration of all men. When the young woman peers in her glass, she may see pimples and blotches and she immediately goes

to the drug store for paint, powders and beauty creams, when she should go there for a blood medicine and stomach alternative known as "Golden Medical Discovery."

This vegetable tonic and blood alternative clears the skin, beautifies it, increases the blood supply and the circulation, while pimples, boils and eruptions vanish quickly.

Ask your nearest druggist for Dr. Pierce's Golden Medical Discovery in tablet or liquid form or send 10c. for trial package of tablets to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y.

**Why We Use Refinite Soft Water Reason No. 2.****"SNOW WHITE TABLE LINEN"**

Your table linen, which you select with such discriminating taste, will long retain its life and beauty with our soft water laundering.

The water we use is softened by Nature's own water softening mineral, Refinite. It is clean, sparkling, healthful soft water.

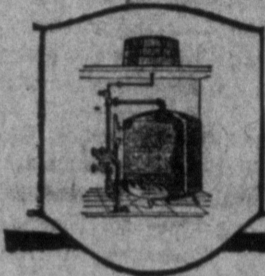

With this water, soap loosens the dirt easily and banishes the soiled spots with very little washing; there is no gummy soap curd to stiffen and discolor the cloth; the fabric does not break at the folds. It's the gentlest cleansing medium known.

Your exquisite linen will come back to you gleaming in all its snowy whiteness, and the only odor from its tubbing will be that of cleanliness.

With Refinite Perfect Soft Water we do far better work than the home laundress can do with cistern or rain barrel soft water. We launder woollens, blankets, silks, laces and all fine pieces that are washable, without damage to color or fibre.

Try us with your linen.

## Worn Down, Out of Heart

Georgia Lady, Worn-out and Tired, Tells How She Was Helped by Ziron Iron Tonic.

THE personal experience of Mrs. Nannie Phillips, of Powder Springs, Ga., is printed below in her own words:

"I was in a worn-out condition. My stomach was out of order. I didn't sleep well. I was tired all the time. I couldn't half eat, and didn't rest well at night.

"I would get out of heart and blue. I would feel like I was going to be down in bed. Yet I kept dragging around.

"We heard of Ziron, and from what I read, I was sure it wouldn't hurt me, if it didn't help me. But after taking it, I found it really helped me, and I sent back for more. I ate better, felt much stronger. I am sure Ziron is a splendid tonic."

Many people, who are worn down and disheartened, due to stomach disorders and nervous ills, find relief by toning up their blood with Ziron Iron Tonic. Tell your druggist you want to try Ziron on our money-back guarantee.

## HITS AND MISSES

By BARRETT SHELTON

The diamond representatives of Albany-Decatur face the hard hitting aggregation from Cullman tomorrow and a good exhibition of the National pastime is about to be exposed to local fandom for the first time since Pete Lewis handed the Lawrenceburg villagers a no-hit batfest. Thompson, manager of the local white hopes hasn't yet decided the slab occupant for the afternoon but will probably use Johnson since the local boy has had a long rest from the Moulton encounter.

The Baronial head-lights rested yesterday, waiting for the opening gun against the out cast Travelers. The Travelers have been S. O. L. all week, for their brief stop in the drive for the tag cost them four games. Slagville will be doubt have a hard time with the Arkansas crew with Heap Big Chief Yellowhorse guarding the pathways ahead of T. Galleger or "Whitey" Glazner.

Manager Thompson will cover the initial hole tomorrow for his own hirelings and promises to do the job up in great fashion. Thompson says a man gets better every year and he has been camping around the pillow for two years and his work last season was exceptionally good.

P. Kyle will show up tomorrow in old time fashion around bag No. 3 Kyle has been going good all year and will bolster the local chances 100 per cent. He has been hitting at a for-

rifle clip against all comers of hurling fame and will touch the Dutchmen up tomorrow for several blows.

The Birmingham crowd is next on the programme of the hard hitting Kiwanis of Albany-Decatur and they will be cordially invited to take a dose like the one given the Huntsvillians on Friday.

## COULD GET NO REST DAY OR NIGHT SAYS PROMINENT DEACON

Pains in Limbs and Feet, Constipation, Kidney Trouble and Stomach Disorder Made Life a Burden.

Has been down and out, couldn't go about at all, but thanks to Dreco, the new medicine, I'm greatly improved.

"I have been in very bad condition and couldn't get about, had hard pains in my feet and limbs, but I'm now able to get about on crutches, since taking only two bottles of Dreco, and I'm sure proud of it," says Mr. W. R. Morrison, the well known farmer of Letohatchie, Ala. Mr. Morrison is prominent as a church going man, and is a deacon in the Baptist church.

"After I had taken three doses of Dreco, I began to feel the effects, it eased my stomach, and I got a good night's sleep; something I hadn't had in many a night. My bowels began to get regular; kidneys got active; that vile taste in my mouth disappeared, and the pains in my limbs and feet eased up, I am sixty two years old, and I have never seen any medicine to equal Dreco. It truly is a wonder, and I praise it and wish the manufacturers every success which they surely deserve."

Dreco relieves rheumatism, clears the impurities from the blood, regulates the bowels, overcomes constipation, acts on the liver, and is very fine for skin diseases such as eczema, scurvy, boils and pimples. Pleasant to take and good for old and young.

All good druggists now sell Dreco and it is highly recommended in Albany by Albany Drug Co.; in Decatur by Hilda Drug Co.—Advertisement.

AS LONG AS THE TIRE LASTS  
our vulcanizing will last. Our work becomes an integral part of the tire fabric, as much so as the original wrappings at the factory. Vulcanizing that's built into the tire, as ours is, cannot blow out; it can only wear out when the shoe wears out. Tire cost is going up. Double your tire mileage with our vulcanizing.
